AGRI 101 Animal Science (See Note 4.)	4
Humanities or Fine Arts Elective	3
Social Science Elective	3
Total	16

Transfer Admission Requirements:

1. 2.0 GPA (4.0 scale).

Notes:

1. Concentrations are available in Ag Systems Technology Management, Ag Education, Ag Production Management, Ag Communications, General Agriculture, and Food and Process Engineering Technology.
2. DACC recommends a three-hour course in Third World or Non-Western culture, either in Humanities or Social Science.
3. Effective Fall 1992, new students or re-entering students absent more than two years and seeking an AA or AS degree are required to take at least one course with human relations content. See your counselor for a list of courses that fulfill this requirement.
4. Ag classes are offered on a two-year rotation. Students need to be sure they enroll in these classes when possible, since they are only offered once every two years.
5. MATH 161 Statistics or MATH 115 is recommended for Ag Systems Tech Management students.
6. MATH 111 College Algebra or MATH 114 Trigonometry is required by SIU. Ag Food and Process Engineering students should take both.
7. SIUC will not accept both CECN 102 Microeconomics and AGRI 102 Ag Economics. These count as the same class at SIUC. Ag Education and Ag Communications students are required to take PSYC 100. Ag communication students are also recommended to take GEOG 134 World Regional Geography.
8. All Ag students are recommended to take BIOL 150 Botany. It is required for Ag Education and Ag Production Management students. Students in other concentrations can substitute BIOL 100, BIOL 101, or BIOL 102 if they choose.
9. SIUC student are required to take one Health elective. HLTH 101 or HLTH 130 will meet this requirement. Ag Education students are recommended to take HLTH 130.
