BIOL 104 Animals and Society – OR – Science Elective (IAI)	4
Social Science Elective (See Note 1.)	3
Humanities Elective (See Note 1.)	3
Total	13

Transfer Admission Requirements:

1. The minimum GPA for admission consideration is 2.5 (4.0); however, 2.75 or above is preferred.
2. Sixty (60) hours of transfer credit. If transferring with fewer than 60 credit hours, criteria for admission varies.
3. Fall and Spring transfers, as well as sophomore and junior transfers. ACES transfer website is <http://futurestudents.aces.illinois.edu/transfer>.
4. To apply: <https://admissions.illinois.edu/apply>

NOTES:

1. Starting in 2018, UIUC requires students to complete one course in Non-Western Cultures (NW), one course in U.S. Minority Cultures (US), and one course in Western/Comparative Cultures (WCC). Courses that can be taken at DACC to meet these requirements are SOCY 225, POLI 240, ANTH 103, HIST 122, LITR 111, HIST 111, HIST 112, HIST 151, HIST 152, LITR 121, and LITR 122.
2. Transfer students must have completed third year level of high school or third semester of college foreign language to graduate from the College of ACES.
3. If a student has completed the foreign language requirement in high school or through the third level of college foreign language, no foreign language is required at DACC. To earn the minimum 60 credits and meet the general education requirements to earn the AS at DACC, a student may need to complete general elective courses in place of foreign language. Your advisor can assist you in determining which classes you should take.
4. **CHEM 133 Organic Chemistry** is no longer required for the Animal Science major at U of I. It is, however, recommended for students interested in pursuing a veterinary degree.
5. For Animal Science majors, MATH 125 or MATH 120 is required. MATH 120 is recommended for students interested in a veterinary degree.
